

Statistical Computing 2025

55th annual meeting

When? **27.07. – 30.07.2025**

Where? **Castle Reicensburg, Günzburg, Germany**

Deadlines? **April 30th 2025** abstract submission

Registration? <https://sysbio.uni-ulm.de/statcomp2025/registration>

Fees? **250€ regulars, 220€ students/pensioners**

This fee covers lunch and dinner, as well as coffee and tea during the breaks.

Workshop objective

Discussion of the development and use of analysis methods for **statistical computing** and **computational statistics** with special emphasis on applications in the **life sciences**.

The workshop language will be English.

Keynote

Barbara Hammer *University of Bielefeld*

**Feature Attribution
and Feature Interactions**

Invited

Andreas Groll *TU Dortmund*

**A combined and enhanced statistical
learning model for the prediction
of the EURO 2024 tournament**

Jutta Gampe *MPI for Demographic Research*

**Beyond the Life Table:
Statistical Modelling
in Current Demography**

Reicensburg by Elvira Eberhardt / Uni Ulm
Background designed by vector corp / Freepik

Organized by the working groups

Biostatistics @ GfKI Data Science Society
Statistical Computing @ German Society for Medical Informatics, Biometry and Epidemiology
German Region of the International Biometric Society

Sponsored by the Mathematical Research Data Initiative (MaRDI)
